A very serious accident happened on the Cleveland, Tuscarawas Valley & Wheeling Railroad last week, resulting in the death of two of the laborers and the probably fatal, injury of a third. At the eastern approach of the tunnel they use a derrick for the purpose of holsting the dirt taken from the excavation; by some means or other the ring to which the guys were attached broke, or was pulled off, and the entire derrick instantly fell, crushing in its fall the three men, as above stated. The particulars are not fully ascertained, nor the names of the unfortunates known to your informant, but will be given as soon as procured.

A JOKE OW A BRIDEGROOM.—Last week a newly made benedict went to a furniture store and ordered a lot of furniture, which was sent to his residence in due time. When the wagon containing the furniture arrived the bridegroom rushed out frantically and asked the driver in a hoarse whisper if he hado't made some mistake. The driver replied that he had been directed to leave the goods at No.—, and there could certainly be no mistake about the address. The groom was confident that there was a misunderstanding somewhere, as there was a piece of furniture on the wagon that he had not ordered, and moreover he had no A JOKE ON A BRIDEGROOM.-Last week of furniture on the wagon that he had not ordered, and moreover he had no earthly use for it. FRUIT AND GARDENS on the Island are in a forward state; that is to say, the peaches have put out their bloom, and their beautiful pink and red variegates the incipient green which has already clothed the ground and is fast mantling orchards and shrubbery. The people seem to have a like confidence in the forbearance of the bleak north winds which are wont long after this time o' year to make the mornings sparkle with a silver sheen of nipping frost, and are not only trusting to the bosom of mother earth the hardier staples of the summer table, such as potatoes, peas and onions, but al-FRUIT AND GARDENS on the Island are such as potatoes, peas and onions, but al-so beans and corn, to which the frosts are as an angel of death. Washington Hall, before a rather small audience. But if the audience was motomplimentary in proportions it certainly was in intelligence and discrimination. The play was Shakespeare's great tragedy of "Macbeth," with Miss Pomeroy as Lady Macbeth, a role which gives great scope for the lady's remarkable power as an actress. Miss Pomeroy even surpassed herself last night in the estimation of those who had witnessed her acting elsewhere. The audience was warmly appreciative, and frequently applauded Miss Pomeroy, as well as members of her company who did especially well. The play makes heavy demands on the support, but all the characters were well represented, and everything passed off smoothly and successfully. Mr. Frank Weston, who assumed the role of Macbeth, is an actor of more thau usual merit, and shared the honors pretity evenly with the star. The sword combat between Macbeth and Macduff (F. C. Mosely), in the fifth lact, has never been surpassed in this city. It fairly brought down the house. To-night Miss Pomeroy will close her engagement in the play of "Cymbeline," in which she will appear as Imogen.

Unlike many other purgatives, they do not irritate the stomach and bowels by frequent use. They keep the system in healthy condition by arousing the torpid liver to healthy action and expelling by the bowels and kidneys the matter that poisons the foundation of life. Be particular to obtain "Swayne's Pills." Price 25 cents a box, at all leading druggists. In Wheeling by LOUAN, LIST & Co. daw An Astonishing Fact.—A large pro-

portion of the American people are to-day dying from the effects of Dyspepais or dis-ordered liver. The result of these diseases upon the masses of intelligent and valuable people is most alarming, making life act-uly a burden instead of a pleasant exist-ence of enjoyment and usefulness as it cought to be. There is no good resour for nally a burden instead of a pleanant existic ought to be. There is no good reason for this, if you will only throw aside prejudice and ekspitcism, take the advice of Druggists and your friends, and try one bottle of Green's Asquet Flower. Your speedy relief is certain. Millions of bottles of this medicine have been given away to try its wirtues, with satisfactory results in every case. You can buy a sample bottle for 10 cents to try. Three does will relieve the worst case. Positively sold by all Druggists on the Western Continent. eodaw
